	SPEAK Day of Action - A day to pray for an end to government support of the arms trade which is fuelling conflict, aiding repression and harming development. - <i>Cathedral Hall, Westminster Cathedral, Ambrosden Avenue, London</i>		
Saturday 6th	'Food Futures' conference	<i>Redcliffe College, Gloucester</i>	9:30am -
	4:30pm		
Newspapers and TV programmes herald the 'end of cheap food', warning us that the global food systems on which we have come depend are increasingly fragile. In a few years we will not be living as we do now. The Food Futures Day Conference is being put on by JRI, Redcliffe College, CMS and ACF to help us respond by asking what God wants us to learn and how we could personally change and adapt.
